

# MAINTENANCE PARTS SELECTION GUIDE

## Choose the Right Oil for Your Engine

Quicksilver offers a choice of oil formulas in most grades to allow boaters to select the ideal level of protection for their engine.

### MINERAL BASE

#### Quicksilver Mineral Base Marine Engine Oil

Outstanding value paired with premium protection. A good choice for low-horsepower engines that are not frequently operated at extreme performance levels or in highly abusive conditions.

**25W-40** | 8M0078619 (1 qt)

**Premium 2-Stroke** | 858021Q01 (1 qt)

### SYNTHETIC BLEND

#### Quicksilver Synthetic Blend Marine Engine Oil

Combines the benefits of mineral and synthetic base stocks for superior engine and corrosion protection in high-torque/high-rpm applications or use in high-temperature conditions.
